the seventh issue of tanker techniques magazine the best modelling magazine focused on painting and weathering techniques urban warfare has left its print on the development of new tanks and armoured vehicles this issue of tanker is dedicated to creating

such an environment for your model we show how to make a street scene destroyed and bombed out buildings etc this time the focus is more on how to present your model in such environments rather than on the vehicles themselves creating such scenes requires some planning and thinking but it s not as hard as it seems already here the last issue of tanker this time focus in conflicts in villages and cities in this issue we can feel the battle and the sensations of decadence in cities destroyed by the war we will see how to recreate these environments buildings and vehicles

includes part 1a number 1 books january june and part 1b number 1 pamphlets serials and contributions to periodicals january june
